

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. **NOTE: Information about the cost of this plan (called the premium) will be provided separately.**

**This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, go to [regence.com](http://regence.com) or call 1 (888) 370-6159. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at [healthcare.gov/sbc-glossary](http://healthcare.gov/sbc-glossary) or call 1 (888) 370-6159 to request a copy. **Please Note:** Your medical plan is issued by Regence BlueCross BlueShield of Oregon and insured by CIS, but administered by Regence BlueCross BlueShield of Oregon. This means that CIS, not Regence BlueCross BlueShield of Oregon, pays for your covered medical services and supplies.

Important Questions	Answers	Why This Matters:
<b>What is the overall deductible?</b>	\$250 individual / \$750 family per calendar year.	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
<b>Are there services covered before you meet your deductible?</b>	Yes. Certain <u>preventive care</u> and the following services: <u>preferred office/urgent care</u> visits, <u>preferred</u> outpatient diagnostic tests/imaging services, or <u>preferred</u> or participating outpatient mental health and substance use disorder.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <a href="http://healthcare.gov/coverage/preventive-care-benefits/">healthcare.gov/coverage/preventive-care-benefits/</a> .
<b>Are there other deductibles for specific services?</b>	No.	You don't have to meet <u>deductibles</u> for specific services.
<b>What is the out-of-pocket limit for this plan?</b>	<u>Preferred</u> & Participating: \$2,250 individual / \$4,750 family per calendar year. Nonparticipating: \$4,250 individual / \$8,750 family per calendar year.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
<b>What is not included in the out-of-pocket limit?</b>	<u>Premiums</u> , <u>balance-billed</u> charges, and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
<b>Will you pay less if you use a network provider?</b>	Yes. See <a href="http://regence.com/go/Preferred">regence.com/go/Preferred</a> or call 1 (888) 370-6159 for a list of <u>network providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You pay the least if you use a <u>provider</u> in the <u>preferred network</u> . You pay more if you use a <u>provider</u> in the <u>participating network</u> . You will pay the most if you use a <u>nonparticipating provider</u> , and you might receive a bill from a <u>nonparticipating provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware, your <u>network provider</u> might use a <u>nonparticipating provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
<b>Do you need a referral to see a specialist?</b>	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.
