

Open Enrollment Highlights

Open Enrollment is Sept. 30 – Oct. 24

Open enrollment is the time to review your plan options. Your benefits package includes options for you to select as well as choices made by your employer. It's important you understand your options and the value-added benefits/services that come with your selection. We encourage you to visit our carrier partners' websites to review information about programs/services that go well beyond providing treatment for an illness. There are also lifestyle wellness programs that provide incentives as well as discount programs.

In addition to reviewing benefits, it's also your opportunity to add or delete dependents to or from your coverage. The effective dates of your open enrollment changes are:

- Jan. 1 for medical or dental changes. If dependents are added for the first time, you must submit the required documentation by Nov. 30, or your dependents will not be covered.
- Jan. 1 or later for Supplemental Employee/Spouse Life, depending on when you complete your Evidence of Insurability (EOI). The EOI must be completed by Nov. 30, or your open enrollment life election will not be processed.
- Jan. 1 for the other voluntary plans.

Getting Started on CIS-Connect

First step, go to cisbenefits.org. CIS-Connect is the online enrollment system that you access to view your current benefits and make open enrollment changes. You'll receive weekly reminder emails to complete your enrollment until you have completed the process.

Email Address: For most employees, your work email address is what you'll use to access CIS-Connect. If that doesn't work, click on the "Forgot email address" link to find your account. If no account is found, please follow up with your HR department.

Password: If you don't remember your password, click the "Forgot Password?" button and follow the instructions to receive a new password. If you are a new employee, the password you set up must meet the following criteria.

- At least eight characters in length
- Have at least one uppercase letter
- Have at least one lowercase letter
- Have at least one number
- Have **ONLY one** of the following special characters:
!@#\$%
 - If the password is reset successfully, the box will turn green. If it doesn't, you haven't met the requirements listed above.

Completing Open Enrollment: You must click the "Complete" button on the last page, or your election changes are not processed. This step also takes you back to the homepage, where you'll see links for any required documentation, if applicable.

Documentation Requirements

If adding a spouse to medical, dental, or supplemental life coverage, a copy of your marriage certificate/license is required.

If adding child(ren) to medical or dental coverage, a copy of their birth certificate(s) is required.

If enrolling in Supplemental Employee/Spouse Life, you must complete Hartford's Evidence of Insurability (EOI).

While it's best to have the documents ready to upload during the open enrollment process, you have until Nov. 30. If the required documentation is not uploaded or completed by Nov. 30, your election changes will not be processed.

IMPORTANT NOTE:

Open enrollment closes on the earlier of (1) the date set by your employer or (2) 5 p.m. PDT on Oct. 24.

Make sure you go online before that date to ensure your benefits are correct, or to make any changes.

Benefit Highlights & Other Important Information

Please note: While some of the open enrollment materials talk about all the benefits CIS offers, not all employers choose to offer every benefit available. You will only see the benefits available to you when going through the open enrollment process. If you opt out of or waive a medical and/or dental plan, you must do so in CIS-Connect.

2026 Plan Year

- The Healthcare FSA rollover amount from the 2026 to 2027 plan year is \$660. Even if the IRS increases this amount to be higher than this for 2026, ours will remain \$660.
- The Dependent Care FSA will not be eligible for rollover into the 2026 plan year.
- Mid-year changes to the Healthcare and/or Dependent Care FSA will only be allowed if you experience a qualified status change.

REMINDER:

If you don't re-enroll in the Healthcare FSA for the 2026 plan year and you have unused carryover dollars from the 2025 plan year, they must be used by the end of 2026, or they will be forfeited. If you re-enroll for the 2026 plan year, the time limitation does not apply.

- Refer to the ASIFlex flyer for plan details.
- Enrollment for the 2026 plan year for all pre-tax plans MUST be done online in CIS-Connect during open enrollment.

METLIFE — SHORT TERM DISABILITY

(Applicable only to employees who are offered CIS' Short Term Disability Plans. Plan selections are only available if your employer offers them.)

Short-Term Disability coverage replaces a portion of your income if you're hurt or sick and unable to work. The cost will vary depending upon your age and income. You'll be able to see your cost while completing the Disability section of the Open Enrollment event.

Short-term disability offsets with Paid Leave Oregon, meaning PLO will pay first and the disability policy will pay the difference between what PLO pays you and 60% of your pre-disability income. If PLO is paying 60% or more of your pre-disability income during your disability, you will be paid the 10% minimum benefit.

Please note, the disability policy will offset against any PLO payments you are eligible for, even if you do not apply for PLO. You may calculate your potential PLO benefits using the Benefits Calculator on the PLO website at paidleave.Oregon.gov. Choosing not to apply for PLO will not increase disability benefits but, if PLO benefits have been exhausted, the disability plan may increase the weekly benefit up to the maximum of 60% of your income, with a maximum weekly benefit of \$2,000.

Each employee will want to determine if electing a short-term disability plan will benefit them based on their income and circumstances.

Please refer to the life flyer for rates.
