To Whom It May Concern:

Vale Oregon Irrigation District (VOID) does not supply water to the following legal:

T 17 R 44 Section 36 SWNW Tax Lot #800 or Tax Lot #900.

There is a natural drain that runs through Tax Lot #800 which needs to be left as is; as VOID water runs off into the natural drain.

If you have any questions or concerns, please let me know.

Thank you,
