Prohibits psilocybin manufacturing and service centers in unincorporated Malheur County

Question 20 words which plainly phrases the chief purpose of the measure.

Shall psilocybin product manufacturers and psilocybin service centers be prohibited in unincorporated Malheur County (area outside of any city limits)?

Summary 175 words which concisely and impartially summarizes the measure and its major effect.

Oregon voters legalized the supervised use of psilocybin through Ballot Measure 109 (2020), which directs the Oregon Health Authority (OHA) to develop a psilocybin licensing and regulatory program by January 2, 2023.

Psilocybin is a psychedelic drug found in certain mushrooms. State law allows for the licensed manufacturing and supervised use of psilocybin in service centers. A county may adopt an ordinance to be referred to voters to prohibit the establishment of licensed psilocybin product manufacturers and/or service centers. The Malheur County Court adopted Ordinance 228 to refer to voters that prohibits such psilocybin businesses in the unincorporated area (outside of any city limits) of Malheur County. Ordinance 228 does not apply within the city limits of Vale, Ontario, Nyssa, Adrian or Jordan Valley.

A "yes" vote will prohibit psilocybin product manufacturers and service centers in the unincorporated area (all areas outside of any city limits) of Malheur County.

A "no" vote will allow psilocybin product manufacturers and service centers in the unincorporated area (all areas outside of any city limits) of Malheur County.
