Petition for Recall of

Name of Public Officer

Daniel Joyce

Title of Public Officer

Malheur County Judge

Statement

Provide the reasons for demanding recall in 200 words or less. Any factual information provided must be true.

We seek to recall Judge Dan Joyce for his repeated failures to perform his duties, which constitutes a breach of public trust and misfeasance in office.

Judge Joyce's negligence is demonstrated by several specific failures:

He failed to prevent systemic fraud at Lifeways, the county's contracted mental health service, which included fraudulent billing and the use of uncertified employees. As an ex-officio member of the Lifeways board, his inaction and a clear conflict of interest have prevented impartial oversight, endangering clients and misusing public funds.

Additionally, Judge Joyce has demonstrated a pattern of fiscal mismanagement and neglect of county responsibilities. He has overseen a lack of transparency and mounting debt with the Treasure Valley Reload Center. The County Court has used taxpayer money to service debt for this stalled project and has failed to address its financial failures.

Finally, his neglect of a contract to maintain Bully Creek Park has led to its severe disrepair, resulting in dead trees, a broken irrigation system, and a lack of care that has drawn community-wide criticism and eroded public confidence in his leadership.

Good afternoon Gayle,

Thank you for the update regarding the recall petition submission.

I can confirm that the spelling of the County Judge for the petition is **Daniel P. Joyce**. I apologize if a spelling error occurred in the initial online submission; my intent was to include the period after the middle initial.

Please let me know if there is anything further you require from me regarding this confirmation.

Sincerely,

Roberto Escobedo
