State Measure

Referendum Order by Petition of the People

120 Increases fuel taxes, registration/title fees for roads, tax on wages for public transportation services

Result of "Yes" Vote: "Yes" vote increases fuel taxes, certain vehicle registration/title fees for state, local road construction, maintenance, improvements; increases tax on wages for public transportation services.

Result of "No" Vote: "No" vote retains fuel taxes at 40 cents per gallon, rejects increases to vehicle registration and title fees, tax on wages for public transportation services.

Summary: Measure increases motor vehicle fuel and use fuel taxes 6 cents per gallon, increases annual registration fees from \$43 to \$85 for passenger vehicles; from \$63 to \$105 for utility and light trailers, low-speed vehicles and medium-speed electric vehicles; from \$44 to \$86 for mopeds and motorcycles. Measure increases passenger vehicle title fees from \$77 to \$216. Revenues from tax/fee increases distributed: 50% to Department of Transportation, 30% to counties, 20% to cities. Revenues used for state and local road construction, maintenance, and improvements. Measure increases tax on wages for public transportation services to two-tenths of one percent; applies to wages of employee who is a state resident, regardless of where services performed, or non-resident for services performed in this state.

Estimate of Financial Impact: A 'Yes' vote on the measure has the following effects.

For Fiscal Years 2027 through 2035, fuels tax collections would increase by an annual average of \$104 million, registration fee revenue would increase by an annual average of \$157 million, and title fee revenue would increase by an annual average of \$130 million. Increased revenues result in additional average annual allocations of \$196 million to the state, \$117 million to counties, and \$78 million to cities.

Payroll tax collections and public transportation service expenditures would increase by \$118 million in Fiscal Year 2027 and by \$124 million in Fiscal Year 2028.
