Federal Office	Malheur County Treasurer	23-76 Increase Annual Ambulance Service District (ASD) Charge Question: Shall the annual ASD charge gradually increase over three years from \$16 to \$31 for homes/businesses? Summary: The ASD charge has remained at \$16 per year since 1996. Passing this measure increases the charge from \$16 to \$31 (at \$5 each year - \$21 in 2027; \$26 in 2028; \$31 in 2029) for each house, apartment, mobile/manufactured home, and assisted living unit. For businesses, RV parks and motel/hotels, the charge will increase from \$16 to \$31 plus an additional charge per full-time-employee (FTE) rising from \$1.50 to \$3.00, and a per space/room charge rising from \$2 to \$5. The increase generates additional revenue for the ASD. Total annual revenue from the charge is: FY2026-2027: \$190,000; FY2027-2028: \$249,000; FY2028-2029: \$309,000; and FY 2029-2030: \$380,000. Charges will appear on property tax statements beginning October 2027 and managed through the annual ASD budget. Proposed expenses include: additional time and wages of ASD director to full time, compensation for the supervising physician, disposable medical supplies, and funding to ambulance providers and non-transport EMS agencies for ambulance/vehicle replacement and repair, training and equipment.
