The applicant(s) must demonstrate that the proposed outdoor mass gathering will not make any permanent physical alterations to or on the real property, which is the site of the outdoor mass gathering, or materially alter the capability to use the real property upon which the outdoor mass gathering is to be held in the future for uses designated under the real property's comprehensive plan and zoning designation.

The applicant(s) must demonstrate compliance with or the ability to comply with the requirements of the Oregon liquor control commission (OLCC), if alcohol is served.

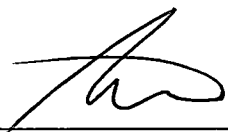

The applicant(s) must demonstrate that the proposed outdoor mass gathering will not unreasonably disturb persons or property in the vicinity of the gathering for reasons such as, but not limited to, excessive noise or dust. When sound amplification is used, no outdoor mass gathering shall be conducted within one thousand feet (1,000') of any neighboring residence between the hours of eleven o'clock (11:00) P.M. and nine o'clock (9:00) A.M. The county court, in its discretion, may impose other noise restrictions and specify a noise control level if the county court determines that doing so is necessary to preserve the comfort and repose of neighboring residents.

The applicant(s) must consent, in writing, to allow law enforcement, public and environmental health and fire control officers to come upon the premises for which the permit has been granted for the purpose of inspection and enforcement of the terms and conditions of the permit issued. If deficiencies are not cured or cannot be cured, a county code enforcement officer may revoke the outdoor mass gathering permit. If the organizer fails to remove all debris, structures and residue from the site or adjacent property by the end of the one hundred twenty (120) hours permitted for the event, a county code enforcement officer may issue a public nuisance citation. In addition, the county may seek other and additional remedies as set out in ORS 433.755(2).

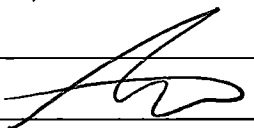

The applicant(s) must acknowledge that issuance of a permit by the county court pursuant to this section shall not authorize an outdoor mass gathering unless the organizer also secures the written statement of the county sheriff, as required by OAR 333-039-0050, and the written approval of the chief of the fire district in which the gathering is to be held, or other local fire protection agency with jurisdiction, as required by OAR 333-039-0045.

The applicant(s) has (have) read the entire contents of the application, the Malheur County Outdoor Mass Gatherings Ordinance and Oregon Administrative Rules, Division 39, Regulations Governing Health and Safety at Outdoor Mass Gatherings and understand(s) and consent(s) with the requirements of the application.
