RE: School District Boundary Change

To: Darren Johnson, District #26 Superintendent, and Robert Fehlman, School Board Chairman

The following property owners, listed below, are requesting Nyssa School District #26 pass a resolution allowing a change to the school district boundary between Ontario and Nyssa. We are asking, by resolution, to allow our properties to be transferred from Ontario School District #8 to Nyssa School District #26. The resolution should state that all assets and liabilities have been equitably divided in accordance with ORS 330.123. The resolution should also state the properties involved will agree to be responsible for bonded indebtedness of Nyssa School District #26. (According to ORS 330.095 and ORS 330.400).

The properties combined Ontario School District #8 tax levy and Ontario School District #8 bond indebtedness provided Ontario with approximately $30,742.25 tax revenue for the 2019-2020 tax year. The exact amount that Ontario will not receive after this fiscal tax year if Ontario grants the request to withdraw from their school district, and Nyssa approves accepting the properties into their school district, will be provided by the Malheur County Assessor's Office. The Nyssa School District would have received approximately $33,947 had this resolution passed prior to the 2019-2020 tax year.

Should both school district resolutions pass, the resolution goes to Malheur County Court which acts as the district boundary board. (ORS 330.095 and ORS 330.400). Petitioner Lawrence (Larry) Wilson will abstain from voting as a member of the Malheur County Court.

The properties involved in this request are all physically located closer to the City of Nyssa than the City of Ontario. All properties involved are in the Nyssa Rural Fire Protection District, Nyssa Road District #2, Nyssa/Arcadia Drainage
District, Hilltop Cemetery District and Malheur Memorial Health District, both located in Nyssa. This adjustment would unify the school district with all of these other districts in the Nyssa community.

Thank you for your consideration in this matter and we hope you will pass this resolution.
