25 July 2019

Mrs. Biddinger,

I have reviewed the plans for the proposed addition of modular classrooms and the future expansion of the Annex Charter School. I have no issues with the proposed site plan with respect to fire department access and water supply. I am in agreement with the Deputy Fire Marshal Kump and would also request that you work with the jurisdictional Planning and Building Departments for any approvals or permits necessary. If you have any questions please feel free to contact me.

James J. MacDonald, Fire Code Official
