RE: Application for access road onto County road  
Section 2, T.30 S, R.38 E.

Dear Eric and Commissioners,

This property fronts Iron Mountain Rd, a gravel road, that is County maintained. The applicant, ( Eco-Site ) is applying for 1 road approach that will be used to connect to the county road. This approach has adequate visibility from both directions. No culverts will be required in the new approach for drainage. The County has no objections to the request.

Sincerely,

David Tiffany  
Malheur County Road Supervisor
