To Whom it may concern:

This letter is in response to a request from Harold & Debbie Bruning for approval to split off 5 acres of property from their owned property in Lot 4, T23S R47E Sec. 6. The acreage being split off has an irrigation right of approximately 1.5 acres with the Ridgeview Irrigation District.

The South Board of Control approves the request to establish a dwelling on the property listed above. We feel there is no reason that this will affect the Ridgeview Irrigation District and we therefore agree to the requested use. Should you have any questions regarding this decision please contact our office at (208)337-3760.

Sincerely,

John Eells, Manager
South Board of Control
