Re: Harold and Debbie Bruning

Dear Mr. Evans

A water right search of the property owned by Harold and Debbie Bruning located in T-23S, R-47E, section 6, tax lot 102 has revealed that water rights do exist on a portion of this parcel. I have included copies of two different rights with maps. The first being certificates #81012 which is with Ridgeview Irrigation District and consist of 38 acres. The second right is a surface water registration (SWR-45) in the name of Cleathel Knox. This right is registered with the State of Oregon and covers 49.6 acres. The two rights together total 87.6 acres located in tax lot 102.

If you have any questions feel free to contact me.

Sincerely,

Ron Jacobs
