Subject: Relocated driveway for Huntington Travel Plaza
Highway Number 449, (Huntington),
at Mile Point 10.525
Application Number 92228

Dear Joseph Alee:

As required by OAR 735-051-3040, the Oregon Department of Transportation (ODOT) has finished its Completeness Determination of the materials you submitted with your *Application for State Highway Approach*. We are pleased to inform you that your application has been deemed complete.

Upon examination of the State's safety standards, your proposed approach can be approved pursuant to the provisions of OAR 734-051-4010, -4020, and -3050. ODOT is in the process of completing the findings for your construction permit and will have them completed in a reasonable amount of time to accommodate the construction schedule.

Please forward the land use decision from Malheur County when they have completed their process as any conditions placed on an approval from the County can affect the driveway permit.

If you have any questions, you may contact me at (541) 823-4016.

Sincerely,

A handwritten signature in black ink, appearing to read "John Eden".
