To Whom it may concern:

This letter is in response to a request from John & Lisa Davis for approval to establish a dwelling on property in the NESW, T22S R46E Sec. 23. This property does not have an irrigation right with the Ridgeview Irrigation District.

The South Board of Control approves the request to establish a dwelling on the property listed above. We feel there is no reason that this will affect the Ridgeview Irrigation District and we therefore agree to the requested use. Should you have any questions regarding this decision please contact our office at (208)337-3760.

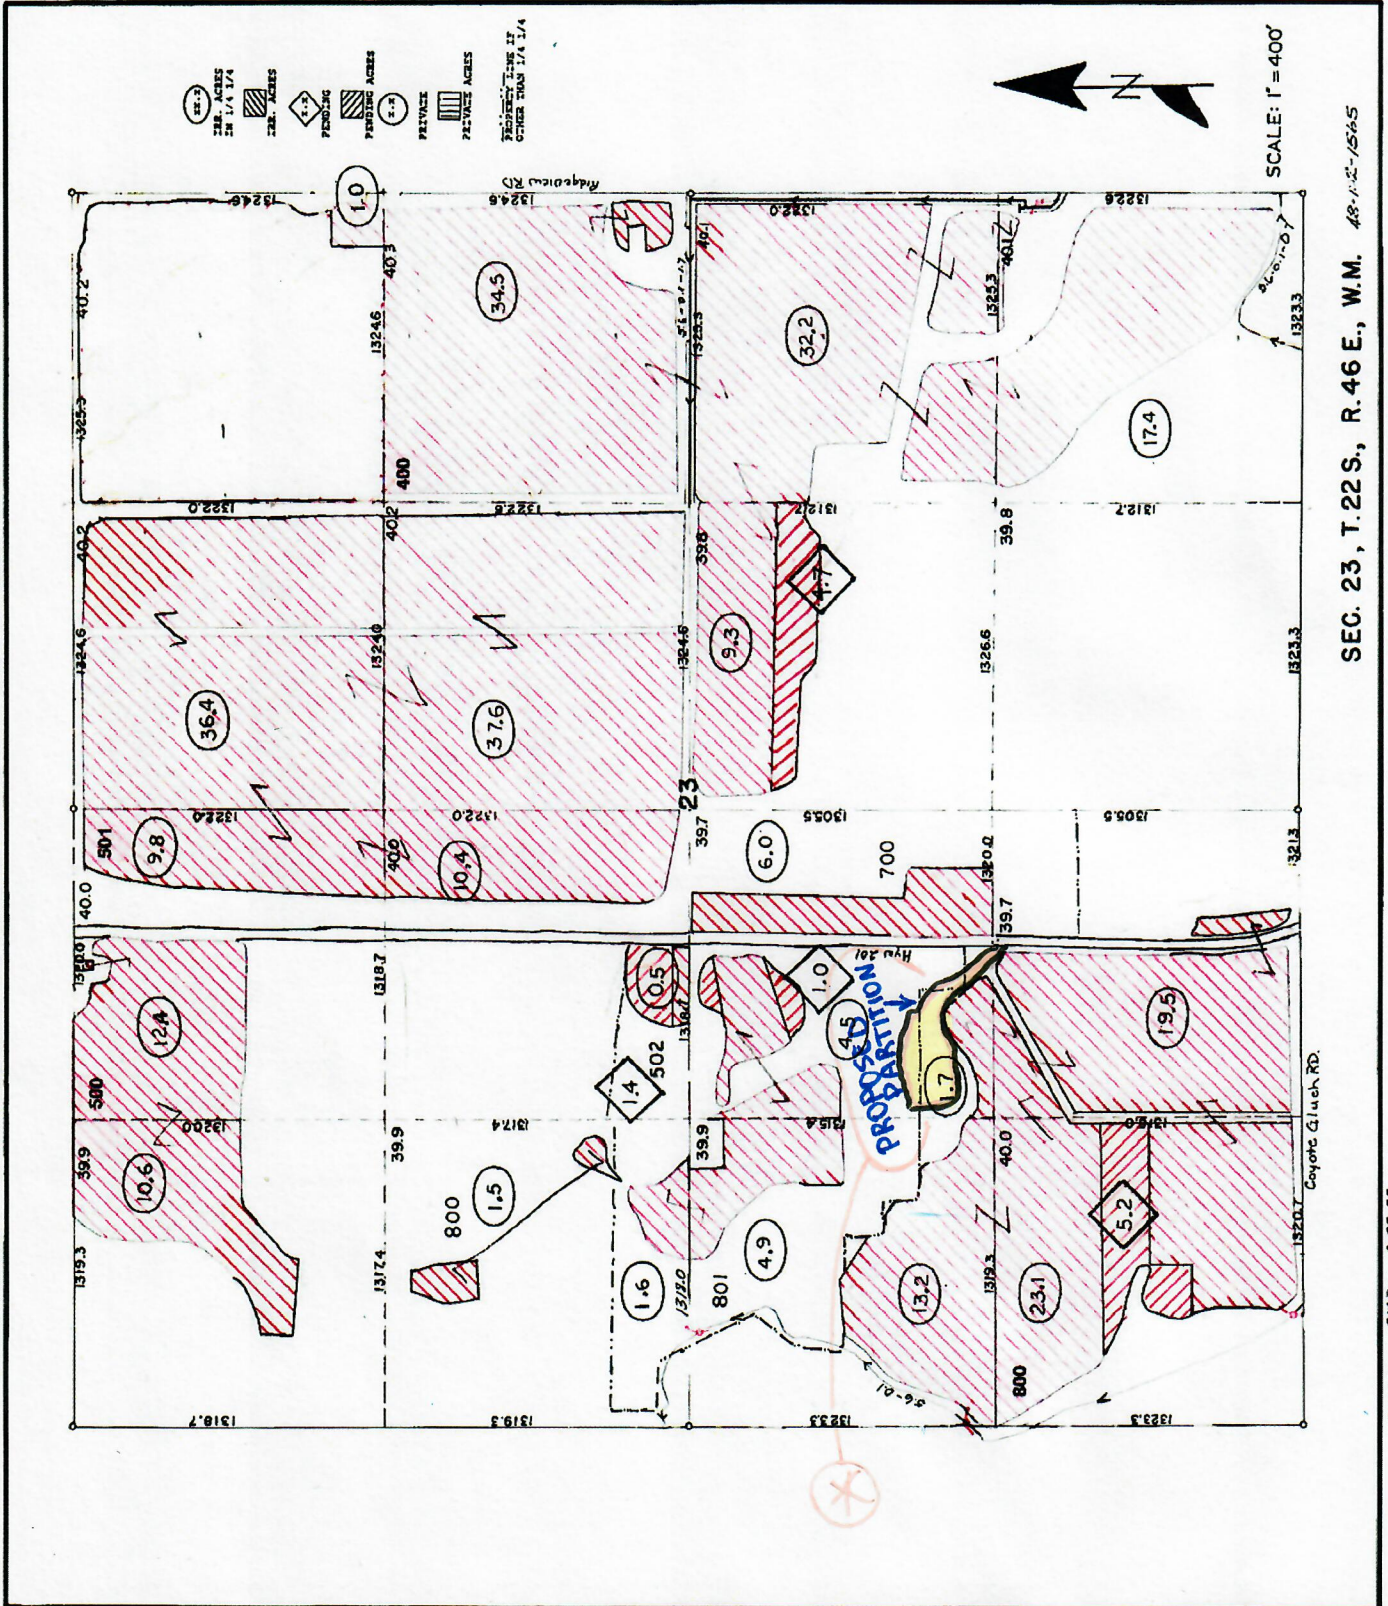

Sincerely,

John Eells, Manager  
South Board of Control
