Here is a letter with time table to get to houses, using gem ave. crossing and not, be allowed to use Gem Ave. Please forward to all parties concerned.

Also share with them, that the roads they are using in the longer time periods, are at times, like today. NOT PASSABLE at all.

Thank you

Robin Froerer

Subject: Gem Crossing

Just an update for you I do have the times you requested. Would you like them on an official letter head from department or just typed up in a word document?

Eric Menchaca
Nyssa Fire Department
Chief
Cell: 541-735-7080
Station: 541-372-3800
Fax: 541-372-5740
Dispatch: 541-372-3825

To whom it may concern,

I was asked to time how long it would take to get to address below from fire station to address if a fire were to happen. I understand that there is talk about a Gem Ave crossing being removed and we would have to go up the road to King Ave then head back to address. Here are the time we got with our Fire Engine. The fastest we could drive on dirt road is 15 mph.

Gem Ave Crossing driving down Arcadia (fastest way):

Fire station to Gem Ave crossing -- 7:32

Station to 3369 Wet Way (Cathy River Place) – 11:00

Station to 3450 Wet Way – 11:45

Station to 3428 Wet Way – 13:47

Station to Home N of 3450 (no address found) – 11:10

King Ave (fastest way):

Station to 3369 Wet Way – 27:00

Station to 3450 Wet Way – 20:35

Station to 3428 Wet Way – 22:35

Station to Home N of 3450 – 21:15

This would not include time for members to get to the station and en route to any of above address. If you have any questions, please feel free to contact me.
