Re: The Ryan Thomas and Lisa Kittel Conditional Use Application

for property located at 1751 Syringa Rd. Adrian, OR

Dear Eric,

My wife Sharon and I are neighbors to the above referenced applicants. Our physical address is 852 Redtop Rd. Adrian, Or.. The SE corner of our property is the same point as the NW corner of their property so one could say that we are close neighbors.

We would like to go on record as strongly supporting Lisa and Ryan's application.

They are new to the area, but we are already impressed by their ambition and work ethic. They have made great strides in cleaning up a neglected place and have expressed to us their plans for more of this effort in the future.

EXHIBIT # 4

We feel that their horse training business would be/is very compatible with the other agricultural pursuits in this area and we encourage the County to grant them the permission to proceed with their plans.

Sincerely,

Tom and Sharon Dikeman
