RE: Application for Conditional Use Permit  
Section 3, T.22 S, R.46 E.

Dear Eric and Commissioners,

This property accesses Syringa Rd via private driveway. Syringa Rd is a gravel road that is county maintained. The applicant, ( Lisa Diane Kittel ) is applying for a conditional use permit, for the purpose of installing a horse barn that will be used to board horses. Syringa Rd is not a high traffic road, the increased traffic will not cause the road department any additional problems. This approach has adequate visibility from both directions. The County Road Department has no objections to the request.

Sincerely,

David Tiffany  
Malheur County Road Supervisor
