Dear Mr. Tollman:

Ridgeview Irrigation District has reviewed your request to build a house on your property located in Pt SENW, & Pt SWNE Section 25, T22N, R46W. We have this property listed on our records as:

- 2061-1 with 25.3 ac of water right receiving water from the Pump Ditch

The South Board of Control approves your request to obtain a single residential building permit. Water delivery will remain the same with delivery through the Pump Ditch. We feel there is no reason that this will affect the Gem Irrigation District and we therefore agree to the requested use.

Should you have any questions regarding this decision please contact our office at (208)337-3760.

Sincerely,

John Eells, Manager
South Board of Control
