To Whom it may concern

The Huntington Fire Department is a volunteer department. The Huntington Fire Department will provide services to the new proposed facility. Only if manpower is available to provide service to facilities. Due to this facility will be located in the secondary response area, and Malheur County. The Huntington Fire Department first due response is to the City of Huntington, which is the taxpayers to the department. Any services rendered to the new facility will be invoiced for any response by the Huntington Fire Department.

Sincerely,  
CHIEF ERIC C BRONSON
