Hello Eric

Now that we've had the telephone public hearing I wanted to be sure to enter a comment for the record. I would like to remind the commission that during that meeting, Mr. Lee confessed that he has been hauling aggregate on Jasmine road without a permit to do so. I believe that this speaks volumes as to the character and methods of this individual.

thank you  
Michael and Mandi Hastings

That sounds great! We will login tonight!  
Thank you so much.

Mike

Thank you Mike. I have received your letter in opposition. I will make sure it gets entered into the record. You may still log-in and testify at the hearing in accordance with the Public Notice.

Thank you,

Eric Evans, REHS
