Payette Rural Fire has no concerns with splitting these properties. They will however have to pay fire dues on all three properties.

Subject: ATTN: Payette Fire Department RE: Partition Split

Good afternoon. My name is Jarom Wagoner and I am in the process of turning in a Partition Split with Malheur County and in order to do so I need to reach out to the applicable fire agency which appears to be Payette. It shows that the Payette Fire District has jurisdiction in this area. I have included a cover letter that explains the request, along with additional information. If you have any questions at all, please don't hesitate to reach out at any time. Thanks so much for your help! And if I should be reaching out to someone else at the fire district, please let me know. Thanks again!
