Subject: Nagaki Land Partition

Hi Tatiana,

We just received notice from JP Wagoner Planning that Jerry Nagaki is planning to partition off some of his land at 156 Ivy Road, 150 Holly Road, and 5057 Pioneer Road. As per usual, separate measuring devices will be required for each new parcel, since they will retain a portion of the water rights. We have notified Jarom Wagoner of this, but also wanted to reach out and let the planning commission know.

Thank you!
