

Rural Road Assessment District No.3

230 North Oregon – P.O. Drawer 99

Ontario . OR 97914

In Response to Adam Tschida's request for property access to a parcel on the east side of power road north of the Jacobsen gulch intersection the Rural Road Assessment #3 Requests that a 12" culvert drainage pipe be installed at access point to allow run off water to pass, With that stipulation met the District sees no other issues to be addressed.
