Dear Mr. Evans:

We would like to make a few positive remarks about the conditional use permit to Applicant C: Jimmy & Janice Simpson. They plan to provide a 15 space recreational vehicle-park. Being long time prior residences of the Adrian and Owyhee community we see a need for such a park. This 5.14 acre parcel that has stayed idle from farm use for many years could now provide a much needed family friendly camping site. The location is very accessible for the visitors to use the rivers, lake and pristine Owyhee Area. The nearby store, gas station and grill are an additional bonus for the location.

The Simpson's are longtime residence of the area and have been involved in many community activities. They are very active business members constant volunteers and generous with their time and efforts to improve the lives of those around them.

Sincerely,

Donald and Julie Sweet
