Adrian Oregon
November 30, 2018

Dear Mr. Simpson,

We received your request concerning the possibility of construction and operation of a new RV park at the Owyhee Junction. At this time we do not foresee any objections or safety concerns.

The Adrian Fire Dept board met on November 13, 2018 and voted to approve the Owyhee RV Park.

Please keep us updated as the project moves forward

Sincerely,

Adrian Rural Fire
