This letter is to inform you that the property T19S, R44E, Sect 36 Tax lot 11400 currently has 74.4 acres of water rights. The property owner has informed us that they will be portioning a parcel of ground off from this tax lot for a future building site of 1.8 acres and the water rights will remain in use at this time. In addition, they are portioning off another piece of ground from this tax lot that does not have water rights on it from this same property which currently has existing building structures on it.

The partitioned parcel of ground will not have any water rights where the current dwelling sits.

If you require any further information or have any questions, please contact me at 541-473-3951 and I will be happy to assist you.

Thank you,
