Good morning John!

We received an application regarding a property owned by Dan Fulleton – tax lot 11400 on map 18S44E. They are proposing to partition off 2 parcels from the farm. There is an existing approach off Hwy 20. They originally attempted to have this done in 2012, however, they never finalized that process. At that time, they did obtain a letter from you – please see attached. Their plan has not changed at all from that original proposal.

Would you please be able to review the letter you had sent them back in 2012 and let me know if you have any additional comments?

Thank you!
