

To Whom It May Concern:

The non-farm partition parcel that Lequerica Bros Inc. is requesting, will be using an existing access road, Lequerica Lane, owned by Lequerica Bros Inc. The access to the parcel meets standards for the Malheur County Road Department and therefore meets the criteria for the Jordan Valley Rural Fire Department to access the parcel in case of an emergency. The proposed parcel will be approximately 2.5 acres and will not need a new access put in.
