Mike,

I'm writing to let you know that DOGAMI has issued the attached Suspension Order to Darren Lee, 4 Lees' Excavation for mining without a permit on Township 16S, Range 47E, Tax Lot 3200 in violation of ORS 517.790(1). We will follow up with a Notice of Violation and Compliance Order shortly that will have corrective actions required. Until then, there should be no earth moving activity of any kind occurring on site. Please don't hesitate to reach out to our office if you see any activity occurring. Would you mind sharing this with the other complainants?

Thank you,

Cari Buchner (she/her)
