Subject: Gravel Pit proposal

This message was sent from outside the organization. Treat attachments, links and requests with caution. Be conscious of the information you share if you respond.

Hi John!

I have receive a proposal for a gravel pit expansion, off Stanton, the old Joe Stirm gravel pit. They want to expand the site to a total of 65 ac, and use their existing access to Stanton, and then continue on to Hwy 201. The operations plan is described on page 66 of the attached .pdf document.

Do you have any comments/concerns regarding the use of 201?

Thank you!

Tatiana
