To whom it may concern,

My name is Anthony Ferrarin, I live at 4454 Sage Rd, Ontario, Oregon.

I would like to express my deepest concern about the new business venture "**Adventureland Ranch**" trying to open right below me, as I am a Cattle Rancher/ Farmer in Malheur County.

I strongly believe in the added traffic, loud noises ( Cannons going off) of all hours of day and night, this will add immense stress on not only my cattle, my livelihood and safety of myself, and as my fellow neighbors that farm, ranch and have small children, to worry about, with the already fast traffic on Sage road, adding more vehicles , this would be an absolute **nightmare**, as I have already had, many ,many issues from the fast drivers heading to and from work at SRCL.

We as Malheur County residents, take pride in our EFU's (**Exclusive Farm Ground**) We cannot create more farm ground, as we are pioneers of the land, and it is our job to protect and preserve what we have, on that note, we are in Oregon, not in Idaho, this is EXCLUSIVE farm ground, I feel as if this is a poor location, and a poor business choice, for something of this volume to be in rural farm ground. I am very concerned about the thousands of people it will attract, and the traffic along with it.

I may be speaking out of context, but I feel as if Malheur County Sheriff's department does not have the resources to police such a wide range of activities that adventure land ranch will bring in.

I strongly urge you not to approve this. Please take into consideration, of all comments, letters of concerns from the surrounding homeowners that will be directly affected by "**Adventureland Ranch**".

should be in commercial land, not in an EFU, if the County approves this, this will be devastating to all surrounding neighbors/neighborhoods, and wildlife in at least a twenty-mile radius.

Please take my opposition seriously.

Anthony Ferrarin
