To whom it concerns,

I am writing in support of the proposed Adventure Land Ranch, to be owned by Dan and Yvonne Mink. To my understanding, the ranch will be located in Ontario, Oregon, which, at this point, has very limited options for family entertainment.

I understand that Dan and Yvonne have the experience and expertise to not only operate a ranch, of various options for seasonal entertainment, but also to provide award winning shows that are family friendly.

I understand Dan and Yvonne have previously traveled the US, putting on professional shows, as the Rhinestone Cowboy. Now, they are offering even more family fun in a location that is so underserved. At this point, folks have to travel to Canyon or Ada County to experience corn mazes, pumpkin patches, and any other seasonal entertainment. Dan and Yvonne want to bring this to Ontario, which is well overdue, and I am sure well in demand.

In closing, I hope you strongly consider making it possible for Dan and Yvonne to put their plans into action, so that they have the opportunity to provide the Western Treasure Valley with family fun and entertainment, perfect for all ages.

Sincerely,

*Frank R. Serrano*
