Subject: File #2024-08-023. Dan and Yvonne Mink 4285 Hopkins Rd, Ontario Oregon. The Adventureland Ranch

My Name is Judy Heid, I live on Canyon Two Road west/northwest of 4285 Hopkins Rd. I am very much opposed to this proposal for an amusement park. I can see the back/west side of this property from my house and feel it would be a noise issue for me the surrounding neighbors and traffic increase all of which would pollute the peace we want and the reason we live out in the country. Noise travel a long way out here, I can hear the neighbors on Canyon 3 when they party—which I don't like either. Again I am not in favor of this at all. Thank you... Sent from my iPhone
