To Whom It May Concern,

The Payette Rural Fire Department has reviewed the proposed Conditional Use Permit request regarding the property located at 5046 Highway 201.

Currently, the Payette Rural Fire Department has no objections to the proposed property split. Based on our review, the splitting of the property will not adversely affect our ability to provide fire protection, emergency response, or other fire department services to the property.

Therefore, the Payette Rural Fire Department has no concerns with the approval of the Conditional Use Permit as presented.

If you have any questions or require additional information, please feel free to contact our office.
